

NZ HAIRDRESSING INDUSTRY TRAINING ORGANISATION

Regional Apprenticeship Committee

Report

The following template has been designed to gain consistency in the information gather from RAC on a national basis. Please utilise this format when compiling your committees AGM report and for meetings held throughout the year. Details can either be filled in on this form or formatted in a report using headings.

RAC Region

Date of Meeting

RAC Members Present

Number of apprentices

Number of new apprentices

Are there any trends identified around new apprentices (eg age, gender, ethnicity or apprenticeship type)?

Trainees not in a current TA

Terminations

Are there any trends or common reasons for increases in terminations?

Were the terminations related to the apprenticeship type (eg Modern or Contemporary)?

Transfers

Are there any trends relating to reasons for transfers?

Are these transfers within the region or to salons outside of the region?

Is there any correlation with age, sex, gender or ethnicity?

Salons Opening

Are there any new salons opening or re-opening within your region?

Reduction of Hours

Have you noticed any trends around reduction of hours in salons? Is there a correlation with MAs and Contemporary apprentices?

Redundancies

Have there been any redundancies within your region and what were the reasons (if known)?

Salon Closures

Please indicate salon closures here including salon size, if these salons are rural or urban and the reasons (if known).

Salons Taking On

What salons are taking on staff and at what skill and knowledge levels are the vacancies targeted?

Employment Issues

What trends are employers and apprentices reporting to you in your region?

Educational Trends

What are the trends in education in your region? You may like to consider LCP, QbyE and final examination completion rates as well as what education requirements that employers have.
